QS World University Rankings: Sustainability 2025

Gandhi Institute of Technology And Management (GITAM)
India

Discover your university's ESG impact with QS Analytics: Sustainability

Our ready-to-go Analytics tool gives you relevant insights into your performance, without needing long-term investments or resources.

Understand your institution's environmental and social impacts.

Benchmark your institution's performance across a recognised sustainability framework.

Identify and refine measurements of environmental and social impact measures to kickstart your sustainability strategy.

Recognise your institution's contribution to achieving UN Sustainable Development Goals.

Accelerate your sustainability ambitions. Book a demo today.

Methodology: Performance Lenses and Weightings

Environmental Impact	Environmental Education	Assesses both the provision and the impact of an institution's education in Environmental Sustainability. Aggregates reputation data, alumni data and institutional data on curricular provision.	**17.0%**
	Environmental Research	Assesses the impact of the research environment at the institution in topics aligned to these specific UN SDGs: 7, 11, 12,13,14 & 15. Aggregates this data with and national spending on R&D.	**13.0%**
	Environmental Sustainability	Assesses an institution's strategy and operations towards an environmentally sustainable future. Aggregates institutional data, membership of climate-focused groups, alumni data, and survey data.	**15.0%**
Social Impact	Employability and Opportunities	Assesses an institution's efforts in providing employment opportunities, and its reputation and research partnerships with industry. Aggregates research data, survey data, reputation data and national-level statistics.	**11.0%**
	Equality	Assesses both the effort and impact of an institution's equality commitment. An aggregation of institutional data, survey data, research data and national-level statistics.	**12.0%**
	Health & Wellbeing	Assesses an institution's commitment to improving the health and wellbeing not only of its students, but society more widely. An aggregation of research data, alumni data, institutional data and national-level statistics.	**5.0%**
	Impact of Education	Assesses the provision of quality education and research, and the impact of that provision. Aggregates research data, reputation data, alumni data and national-level statistics.	**7.0%**
	Knowledge Exchange	Assesses how institutions partner in research between developed and developing regions to share knowledge and spur educational growth and the positive impact of a university on its local community and wider society. Aggregates research data and survey data.	**10.0%**
Governance	Good Governance	Assesses whether an institution has strong governance in place, through for example open decision-making, a holistic ethical organisational culture, student representation on university's governing bodies and financial transparency. Aggregates institutional data, research data, survey data and national-level statistics.	**10.0%**
