**A Category - I Deemed to be University**

Visakhapatnam | Hyderabad | Bengaluru

## Student Feedback Analysis AY (2020-21) - Bachelor of Architecture

### Feedback Parameters

1. The courses in my programme are useful and relevant for my learning
2. The objectives and learning outcomes for all courses are specified clearly and met
3. The course materials; lectures, labs, readings, online material, etc. are integrated well within the courses
4. I have access to various online learning platforms to supplement my classroom learning
5. The faculty are effective in aiding my learning
6. The assignments, quizzes and exams promote critical thinking and are useful in evaluating my learning
7. Examination results for all courses are released as per schedule
8. There are facilities in the University for innovation, research and multidisciplinary collaboration
9. University provides opportunities for internships, student exchange programmes and field visits
10. University provides exposure to extra classroom learning (guest lectures, seminars, workshops, value added programmes, conferences, competitions)
11. Opportunities to engage in extra-curricular activities (cultural, social, sporting, and other activities)

### Student Feedback Analysis AY (2020-21) - M.Sc. Microbiology

#### Feedback Parameters

1. The courses in my programme are useful and relevant for my learning
2. The objectives and learning outcomes for all courses are specified clearly and met
3. The course materials; lectures, labs, readings, online material, etc. are integrated well within the courses
4. I have access to various online learning platforms to supplement my classroom learning
5. The faculty are effective in aiding my learning
6. The assignments, quizzes and exams promote critical thinking and are useful in evaluating my learning
7. Examination results for all courses are released as per schedule
8. There are facilities in the University for innovation, research and multidisciplinary collaboration
9. University provides opportunities for internships, student exchange programmes and field visits
10. University provides exposure to extra classroom learning (guest lectures, seminars, workshops, value added programmes, conferences, competitions)
11. Opportunities to engage in extra-curricular activities (cultural, social, sporting, and other activities)

Student Feedback Analysis AY (2020-21) – MBA (HRM)

## Feedback Parameters

1. The courses in my programme are useful and relevant for my learning
2. The objectives and learning outcomes for all courses are specified clearly and met
3. The course materials; lectures, labs, readings, online material, etc. are integrated well within the courses
4. I have access to various online learning platforms to supplement my classroom learning
5. The faculty are effective in aiding my learning
6. The assignments, quizzes and exams promote critical thinking and are useful in evaluating my learning
7. Examination results for all courses are released as per schedule
8. There are facilities in the University for innovation, research and multidisciplinary collaboration
9. University provides opportunities for internships, student exchange programmes and field visits
10. University provides exposure to extra classroom learning (guest lectures, seminars, workshops, value added programmes, conferences, competitions)
11. Opportunities to engage in extra-curricular activities (cultural, social, sporting, and other activities)
