

GITAM Deemed to be University

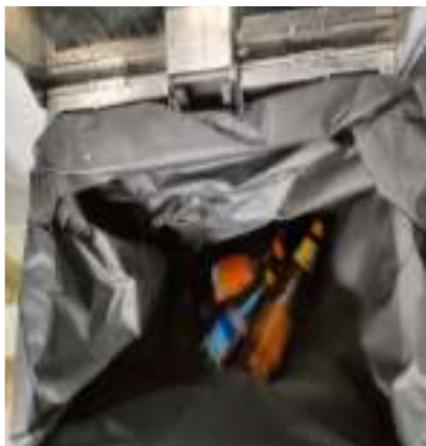

Solid Waste

GITAM solid “Solid Waste” includes a variety of materials like hazardous waste generated from medical college, construction and demolition waste, waste generated through gardens and trees, electronic waste generated through its classroom and technology usage activities etc.

GITAM follows a systematic process to manage their solid waste.

GITAM has entered into 3rd party agreements to collect the solid waste generated through the medical activities and technology related activities. These 3rd parties collect the solid waste.

- ☞ Bio medical waste is collected by MIRIDI Eco-Industries Pvt. Ltd. MIRIDI Eco-Industries is authorised by the Greater Visakhapatnam Municipal Corporation (GVMC) to collect, transport, treat and safely dispose-off the Bio-medical waste from hospitals, pharma companies and medical colleges.
- ☞ The electronic waste is collected by the Greenwaste Environmental Solutions pvt. Ltd.
- ☞ Plastic waste is collected by IPCA, KN Social Contribution, under the DROP project.
- ☞ Garden leaf waste, Kitchen vegetable waste, paper waste is converted into compost using the compost machine and made into pellets to reuse in growing the plants.

 |  Social Contribution
