

GITAM - Target for Student Success Rate

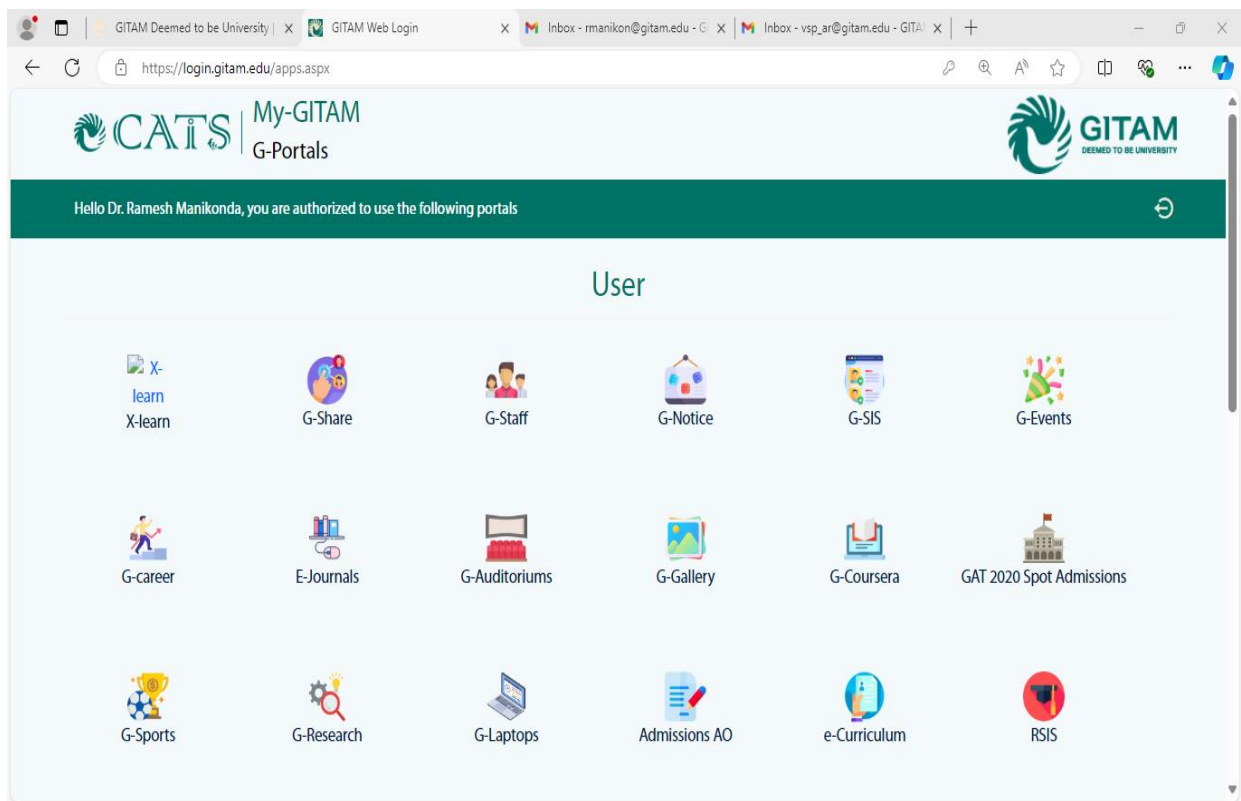

GITAM sets 100 percent target for the successful completion of the program by the students. Due to some unavoidable circumstances some students could not complete their program. In general, the success rate lies in between 95% - 98%.

GITAM has a well-designed & structured online system called G_SIS (GITAM Student Information System) for student mentoring. Each faculty would be allotted 20 students as mentees. The academic performance and progress of these students are monitored by the mentoring faculty. They will conduct mentor-mentee meetings. The progress and performance of the students would be intimated to the parents also. Steps would be taken to support the weak students who were falling behind.

Similarly, G-result is another online module where time to time course-wise, semester-wise, program-wise results would be analyzed at various levels to ensure the support the students to succeed in their endeavor.

There are 224 students under the category 'EWS' in the final year of various programs who are getting graduated during 2022-23. Under this category 100 per cent success rate is recorded during this AY 2022-23.

GITAM Student Information System (G_SIS) : Online mentoring system.

अध्या Adhva:

Adhva (अध्या) is a word from Sanskrit, liberally used in sacred texts to indicate Course/ Road/ Route/ Step/ Way/ Path/ journey. CC&M has been introduced with the noble aim of making the GITAMite's journey meaningful and rewarding during the academic program and as an alum as well. Hence, CC&M processes has been named Adhva.

GCGC/ Career Counselling & Mentoring (CC&M, to make it short) is our endeavour to reach out to all GITAMites on entering the haloed walls of GITAM. We assess their take-off level and benchmark within the class for measuring the progress made as the student traverses the academic journey. With holistic development in mind, our esteemed faculty mentors walk the path with the mentees throughout his/ her journey in GITAM and continue to support the Alum too. We desire that the faculty mentor be a single-stop solution provider to all the queries related to academics, co & extracurricular activities, career goals and enablement

Information to Parents

Asraya आश्रय

Sri Ramesh Manikonda

Asraya (आश्रय) in Sanskrit means **assistance**. Asraya has been designed with an aim to bring all the Career Services being offered to our student community under one roof. It is a one stop solution from GCGC for the University students to avail services related to Counselling & Mentoring, Competence & Skill Development, and Career Fulfillment including Other Career Options. Hence the platform is titled as Asraya.

GCGC's Asraya is designed and developed to be part of every GITAMite's journey. This platform helps the students to interact with Mentors to seek guidance and support, participate in Competence and Skill Development activities conducted by Directorate of Competence Development and utilize the services of Career Fulfillment for Jobs and Internships along with Higher Education and Other Career Services.
