

## GITAM - Graduation/completion target for of Low Income Category

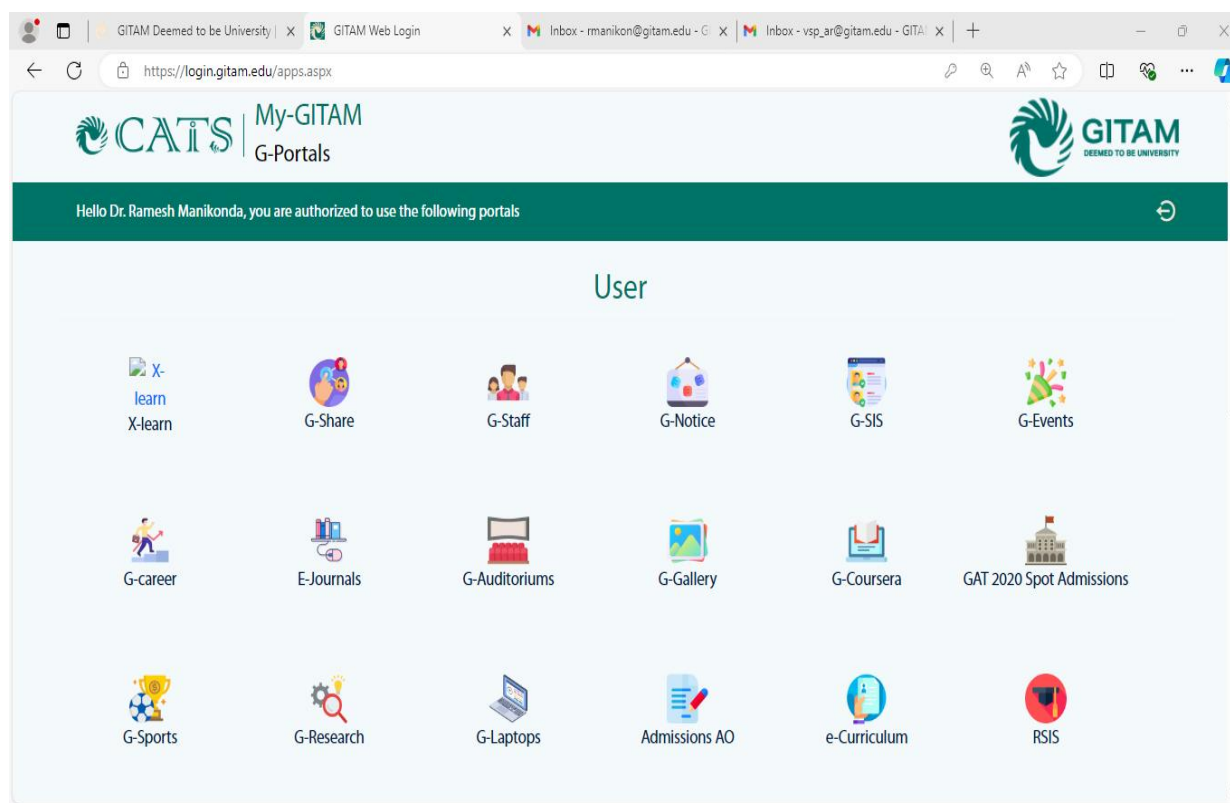

GITAM sets 100 percent target for the successful completion of the program by the students. Due to some unavoidable circumstances some students could not complete their program. In general, the success rate lies in between 95% - 98%.

There are 100 students under the category Economically Weaker Sections (EWS) in the final year of various programs. 100% graduated in the AY 2023-24

**GITAM System of Monitoring and tracking the student progress is explained below with sample screenshots of the system.**

GITAM has a well-designed & structured online system called G\_SIS (GITAM Student Information System) for student mentoring. Each faculty would be allotted 20 students as mentees. The academic performance and progress of these students are monitored by the mentoring faculty. They will conduct mentor-mentee meetings. The progress and performance of the students would be intimated to the parents also. Steps would be taken to support the weak students who were falling behind.

## GITAM Student Information System (G\_SIS) : Online mentoring system.

## Mentor – Mentee interaction

Adhva (अध्वा):

Adhva (अध्वा) is a word from Sanskrit, liberally used in sacred texts to indicate Course/ Road/ Route/ Step/ Way/ Path/ Journey. CC&M has been introduced with the noble aim of making the GITAMite's journey meaningful and rewarding during the academic program and as an alum as well. Hence, CC&M processes has been named Adhva.

GCGC/ Career Counselling & Mentoring (CC&M, to make it short) is our endeavour to reach out to all GITAMites on entering the haloed walls of GITAM. We assess their take-off level and benchmark within the class for measuring the progress made as the student traverses the academic journey. With holistic development in mind, our esteemed faculty mentors walk the path with the mentees throughout his/ her journey in GITAM and continue to support the Alum too. We desire that the faculty mentor be a single-stop solution provider to all the queries related to academics, co & extracurricular activities, career goals and enablement

Information to Parents

Asraya (आश्रय):

Asraya (आश्रय) in Sanskrit means **assistance**. Asraya has been designed with an aim to bring all the Career Services being offered to our student community under one roof. It is a one stop solution from GCGC for the University students to avail services related to Counselling & Mentoring, Competence & Skill Development, and Career Fulfillment including Other Career Options. Hence the platform is titled as Asraya.

GCGC's Asraya is designed and developed to be part of every GITAMite's journey. This platform helps the students to interact with Mentors to seek guidance and support, participate in Competence and Skill Development activities conducted by Directorate of Competence Development and utilize the services of Career Fulfillment for Jobs and Internships along with Higher Education and Other Career Services.

Comprehensive Meeting

Title : student interaction

Meeting Date : August 30, 2024, 12:00 AM

Summary :

Academics : Very good in academics cgpa between 8 to 9

Communication skills : Good

Career Path : Sure of career goals and plans

Career Choice : Placements

Co-curricular Interests : Certifications and internships

Extracurricular Interests : None

My mentee's category : Requires less no intervention

Issues by mentee that related to Academics : None

Issues by mentee that related to Career Guidance : Placements

Issues by mentee that related to Services / Facilities : None

Physical Wellbeing : Physically fit

Mental Wellbeing : Emotionally well

Confidential Remarks : Na
